CREATE AN EVENT

Live in about two minutes.

One screen, top to bottom. The essentials get you live — the rest can wait.

- 01 *Name it*
Your title — the headline of the whole thing.
- 02 *When & where*
Date, time, venue. Online works too.
- 03 *Set your price*
Free, or a ticket price with VIP / early-bird tiers.
- 04 *Add your poster*
One striking image — what sells the tickets.
- 05 *Publish*
One tap. Live and shareable, immediately.

YOUR POSTER

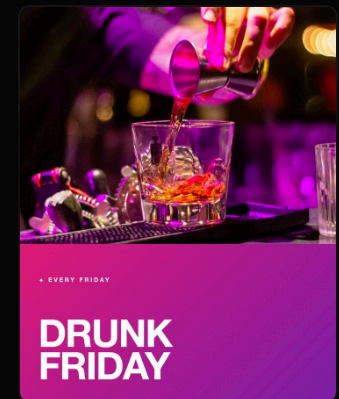

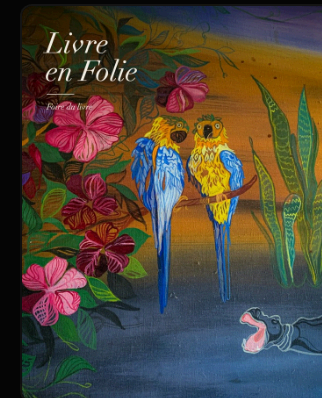

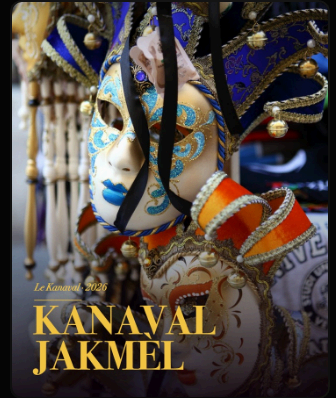

Pure art.

Tikèm shows the date, venue, and price around your event automatically — so your flyer doesn't have to. One image that stops the scroll.

01 One strong, high-resolution image.

02 Portrait, 4:5 — fills the frame.

03 Let the app carry the details.

IN THE APP

Every event, one *feed*.

Publish, and you land in Discover —
right beside everything happening
across Haiti.
